Home Affairs has been initiated. The NDMA will, *inter alia,* be responsible for coordinating mandating Government's policies for disaster reduction/mitigation, ensuring adequate preparedness at all levels; coordinating response to a disaster when it strikes and coordination of post disaster relief and rehabilitation. The State Governments have been advised to consider setting up State Disaster Management Authorities (SDMA) under the Chairmanship of Chief Secretary for coordinating the aforementioned functions at State level. The NDMA, which will coordinate all functions at apex level, will be a permanent organization. Action has also been initiated to train and equip specialized search and rescue teams at National level which will function as Rapid Response Units in case of a disaster. The State Governments have also been advised to consider setting up specialized search and rescue teams for this purpose.
